

Simple Magazine Template Instructions

Download free InDesign resources | www.crsindesigntemplates.com

Free eight page InDesign portfolio template

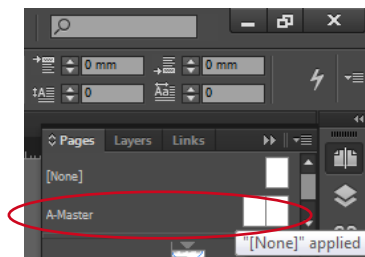

And lots of other great free resources

[Download now](#)

GENERAL INFORMATION

Thank you for downloading this template, I hope you enjoy the file!

To edit the folio lines (the bits with the page numbers and magazine title on) simply edit the page master. You do this opening the Pages palette and double clicking on the page with A-Master on it:

FONTS

All fonts are 100% free for commercial use and downloaded using the links below:

Bebas: <http://www.fontsquirrel.com/fonts/bebas-NEUE>

Open Sans: <https://www.google.com/fonts#UsePlace:use/Collection:Open+Sans>

Photos

You can purchase any image in this template from photodune.net

Visit my photodune image collection for this magazine to view and purchase images
